

2018 Summer Camp

All camps are ages 5 – 7, 8 – 10 (tennis includes ages 11 – 13 as well)
**MUST have completed Kindergarten and are progressing into the 1st grade level.

Sports Academy - Have fun in the sun playing a variety of sports including tennis, aquatics, self-defense, basketball, dodgeball & more! Have fun in the sun with water balloons, water relay races & more!

Tennis – Give your young tennis enthusiast expert instruction from our highly sought-after tennis professionals while developing a love of the game that will last a lifetime! Bath & Racquet is consistently voted the best tennis club in Sarasota and offers the most courts, best coaches, and excellent facilities for your summer camp experience. Tennis is available at Bath & Racquet for all skill levels.

Aquatics – Spend a week in the pool learning swim strokes, water safety, and competing in fun water relays and races!

Epicurious Jr. Chefs – This camp has a tasty twist! Spend a portion of the day in a professional kitchen and restaurant preparing delicious, healthy (and sometimes not-so-healthy!) meals and appetizers. Each week offers a unique theme

Mad Science – Eureka! Invention Camp & Secret Agent Lab are our two themes for Mad Science camp offered by Mad Science of Greater Tampa Bay. In Eureka! Invention Camp, campers will create inventions to escape a deserted island and make fun take-homes including catapults and circuit mazes. Spy Academy turns campers from sleuths into spies! Campers will decode secret messages, look at evidence using forensics, and examine fingerprints and fiber evidence.

Dance – Get swinging on the dance floor with dance camp! Practice fun and unique dance moves from Hip Hop, Ballet, Line Dancing and more.
